1. I am a creditor in this matter and seek to have the Court grant me permission to file my claim out of time.

6. I became distraught and depressed that I could not withdraw any funds.
7. I had figured I lost my money.
8. On or about July 3, 2023, I was speaking with a friend regarding loosing the funds in my Blockfi account.
9. He advised me that I could go file a claim with the Bankruptcy Court to get my repaid.
10. Prior to that date, I do not recall receiving any notices in the mail from Blockfi regarding my rights and I had changed my address around October, 2022, but did not update my new address on Blockfi.
11. That evening, I researched filing a claim and spent hours trying to file my claim.
12. I did in fact file my claim electronically via the Kroll system and on July 4, 2023, I received an electronic proof of claim with confirmation ID being 3277-48-QBKCW-021341067. **See Exhibit A – Email confirming claim receipt from Kroll along with two attachments: 1) electronic proof of claim and 2) proof of claim.**
13. I then reviewed the information publicly available about the Court case and realized that there was a deadline of filing a claim that had expired on March 31, 2023.
14. I became immediately worried.
15. I then called the Bankruptcy Court and spoke to a clerk there.

17. I then hired Mr. Karam Nahas Esq. as my attorney to assist in this matter.

21. I did not think I could do anything about it.
